SUBCONTRACT SEWING AGREEMENT

Date: _____

Parties

This Agreement is entered into by:

Brand Owner / Contractor:

Name: Ghemilynne Cruz

Business Name: Leeyo by. Jamie

Address: 93 Magtanggol St. Maypajo Caloocan City

and

Subcontractor (Sewing / Mananahi):

Name: Christina Ermitaño

Address: Tierra vista ayana phase 2 balayong street blk 7 lot 84, Dasmariñas Cavite

Contact No.: 09485078403

Collectively referred to as the "Parties."

1. Purpose

The Brand Owner engages the Subcontractor to sew and produce garments according to the approved sample, specifications, measurements, and quality standards provided by the Brand Owner.

The Subcontractor agrees to perform all sewing work in accordance with the approved sample and production instructions.

2. Sampling History

The Parties acknowledge the following:

- Initial sample development fee: **₱650.00** (paid by the Brand Owner).
- Two (2) additional comparison samples:
 - Sample #2 – **₱300.00**
 - Sample #3 – **₱300.00**

The fabrics used for the comparison samples were supplied by the Brand Owner.

The sample approved by the Brand Owner shall serve as the official production reference, subject only to the production revisions listed below.

3. Product Specifications

The Subcontractor agrees to follow the approved sample together with the following mandatory revisions:

1. Follow the official size specifications provided by the Brand Owner.
2. Attach Ribonette (hanger loops) on both the left and right sides of every skirt.
3. Pleats must be clean, balanced, even, and consistent throughout the garment.
4. Excessive bulk or uneven ruffles/pleats shall not be accepted.
5. All workmanship shall match the approved sample in appearance, construction, and finish.

The Brand Owner may provide additional written production instructions which shall form part of this Agreement.

SIZES

The Subcontractor shall manufacture the garments using the following measurements:

Size	Waistline (Relaxed to Stretched)	Length
Small to Medium	25" – 29"	14.5"
Large to XL	30" – 34"	15"

Manual measurement tolerance shall not exceed **±0.5 inch**.

Construction Requirements

The skirt shall include:

- Four (4) evenly layered ruffles
- Elastic waistband
- Hidden hanger loops inside the waistband
- Overlocked seams for durability
- Clean and secure stitching
- Proper gathering (sheering) throughout the ruffle layers
- Consistent pleating across all tiers
- Equal volume and length on every ruffle layer

4. Production Quantity

The parties acknowledge that the production quantities stated below are estimates only and are intended solely for planning and costing purposes. The final quantity of finished garments may vary depending on the availability of materials, production requirements, and the number of garments that successfully pass the Client's quality inspection and acceptance standards.

Color	Size Range	Estimated Quantity
Red Skirt	Small to Medium	8 pcs
	Large to XL	7 pcs
	Subtotal	15 pcs
Bluish Gray Skirt	Small to Medium	13 pcs
	Large to XL	7 pcs
	Subtotal	20 pcs
White Skirt	Small to Medium	18 pcs
	Large to XL	15 pcs
	Subtotal	33 pcs

Estimated Total Production Output: 68 pieces

The quantities indicated above are subject to change. The actual number of completed garments may increase or decrease based on fabric availability, cutting efficiency, production yield, and the number of garments that meet the approved specifications and quality standards. Only garments that are completed, accepted, and approved by the Client shall be included in the final production count and shall serve as the basis for the computation of the final contract amount. Any adjustment in the final acceptable quantity shall result in a corresponding adjustment to the remaining balance payable under this Agreement.

5. Contract Price

Production Cost:

₱95.00 per skirt

Total for 60 pieces:

₱6,460.00

Payment Terms:

- 50% Down Payment before production begins.
- Remaining 50% upon completion, inspection, and acceptance of the finished garments.

Future production quantities shall use the same payment arrangement unless otherwise agreed by both Parties.

6. Materials Supplied by the Brand Owner

The Brand Owner shall provide the necessary materials for production, including but not limited to:

- Main Fabrics (3 colors)
- Lining Fabrics
- Ribonette / Hanger Loops
- Labels
- Threads
- 1 ½ Inch Garter

The Subcontractor acknowledges receipt of all materials listed in the attached Material Receiving Form.

Unused materials and excess supplies remain the property of the Brand Owner and shall be returned upon completion.

7. Quality Standards

Every skirt must be inspected by the Subcontractor before delivery.

The following defects shall be considered unacceptable and must be repaired or reproduced at no additional cost:

- Uneven or inconsistent pleats.
- Missing Ribonette (hanger loops).
- Loose stitching.
- Open seams.
- Skipped stitches.
- Crooked stitching.
- Uneven hems.
- Improperly attached waistband.
- Incorrect measurements beyond the approved size tolerance.
- Fabric damage caused during sewing.
- Holes, tears, snags, or burns caused during production.
- Oil stains, dirt, pen marks, or other production stains.
- Visible thread ends not properly trimmed.
- Twisted side seams.
- Incorrect orientation of fabric or pattern.
- Uneven gathering of ruffles.

- Poor pressing or finishing.
- Missing labels or incorrect label placement.
- Garments that do not follow the approved sample or written instructions.

8. Rework and Rejection

The Brand Owner reserves the right to inspect all finished garments.

If any garment fails inspection due to workmanship defects or failure to follow the approved specifications, the Subcontractor shall:

- Repair the garment at no additional cost; or
- Replace or reproduce the garment if repair is not possible.

The Brand Owner may reject garments that do not meet the agreed quality standards.

The remaining balance shall be settled only after accepted garments have passed final inspection.

The Subcontractor shall be liable for the cost of all materials used in any garment that is rejected due to defects, poor workmanship, or failure to meet the agreed quality standards. If the rejected garment is deemed unsellable, the Subcontractor shall reimburse the Client for the full material cost of the affected piece.

The Brand Owner shall inspect the garments within three (3) business days after delivery. Failure to inspect within this period shall not be considered a rejection unless defects are later discovered.

9. Delivery

The Subcontractor agrees to complete production on or before:

Delivery location:

If the Subcontractor anticipates any delay, she shall immediately notify the Brand Owner in writing. Any extension shall be subject to the Brand Owner's approval.

10. Confidentiality

All designs, patterns, measurements, samples, specifications, and production methods provided by the Brand Owner remain confidential.

The Subcontractor shall not copy, reproduce, sell, manufacture, or distribute the designs for any other customer without the written consent of the Brand Owner.

11. Ownership

All patterns, samples, designs, and materials supplied by the Brand Owner remain the exclusive property of the Brand Owner.

12. Entire Agreement

This Agreement represents the complete understanding between both Parties regarding this production.

Any amendments must be made in writing and signed by both Parties.

Payment Received

Production Cost:
₱95.00 per skirt

Quantity:
68 pieces

Total Contract Amount:
₱6,460.00

Down Payment Received (50%):
₱2,850.00

Balance Payable Upon Acceptance:
₱2,850.00

I acknowledge receipt of the above down payment and agree to complete the production according to the approved sample and specifications.

The total contract amount is based on an estimated quantity of sixty-eight (68) pieces. The Client shall pay a fifty percent (50%) down payment based on this estimate. The remaining balance shall be recalculated according to the final quantity of acceptable garments produced, at the agreed rate of ₱95.00 per piece. Any increase or decrease in the final quantity shall result in a corresponding adjustment to the remaining balance.

This statement makes it clear that:

68 pieces is only an estimate. The down payment is based on that estimate. The final amount is adjusted according to the actual number of acceptable skirts produced. Rejected or unsellable pieces are not counted toward the final payable quantity.
